MS Entrepreneurship & SME Management
- Minimum 16 years of education will be required with at least 2.50 CGPA or 60% marks for admission in MS Programme.

MS Computer Science
Eligibility Criteria
- BS (CS) 4-Year Degree Programme (minimum 130 credit hours) with at least 2.50 CGPA or 60% marks for admission in MS Programme.
- OR Computer Science Conversion Course 2-Year Degree Programme referred to as MCS or MSc (CS) with at least 2.50 CGPA or 60% marks for admission in MS Programme.
- OR 16-year Science and Engineering graduates are eligible but they have to cover deficiencies.

Note
- Only those candidates are eligible to apply who have passed GAT (General) Test with at least 50% score.

MS Pharmaceutical Chemistry
Eligibility Criteria
- Students who have passed BSc (Hons)/ MSc (Botany, Chemistry, Biochemistry, Biotechnology, Microbiology, Molecular Biology, Pharmacy, Zoology etc.) or equivalent degree from HEC recognized University/institution with minimum of 2.50/4.00 CGPA or 60% marks (annual system) are eligible to apply for admission.
- Only those candidates are eligible to apply who have passed GAT (General) Test with at least 50% score.

MS Forensic Chemistry
Eligibility Criteria
- Students who have passed BSc (Hons)/ MSc (Biochemistry, Biotechnology, Botany, Chemistry, Forensic Sciences, Microbiology, Molecular Biology, Pharmacy, Zoology) or equivalent degree from HEC recognized University/institution with minimum of 2.50/4.00 CGPA or 60% marks (annual system) are eligible to apply.
- Only those candidates are eligible to apply who have passed GAT (General) Test with at least 50% score.
Admission Policy
(Postgraduate Programmes)

MS Electrical Engineering (Evening) with Specializations in the following:
- Computer Engineering
- Electronic Engineering
- Control Engineering
- Telecommunication Engineering

Admission Procedure for MS Electrical Engineering (Evening)
Admission is open to Pakistani male and female students and there is no age restriction. The applicants must have passed GAT (General) Test at the time of admission with at least 50% score. The applicants will be selected for admission on the basis of merit. A candidate having any of the following minimum qualifications can apply:

For MS Electrical Engineering with specialization in Telecom Engineering:
- BSc Engg./BE Degree in Electrical Engineering, Electronic Engineering, Telecom Engineering

For MS Electrical Engineering with specialization in Electronic Engineering:
- BSc Engg./BE Degree in Electrical Engineering, Electronic Engineering

For MS Electrical Engineering with specialization in Control Engineering:
- BSc Engg./BE Degree in Electrical Engineering, Electronic Engineering, Mechatronics & Control Engineering

For MS Electrical Engineering with specialization in Computer Engineering:
- BSc Engg./BE Degree in Electrical Engineering, Electronic Engineering, Computer Engineering

In case of degree titles other than those mentioned above, the suitability of specialization will be determined by the Departmental Admission Committee.

Determination of Merit
The merit of applicants will be determined by calculating a composite score by combining various grades in the following proportions:
- Entry test 60 %
- Academic Record 15 %
- Interview 25 %

Documents to Accompany Application
A candidate for admission to this degree programme may obtain application form for admission from the designated branches of banks as advertised in the Notice for Admission and may apply through the same branches. One photocopy (except when notified otherwise) of each of the following documents must accompany the duly filled in application form:
- Secondary School Certificate or equivalent
- Intermediate Certificate or equivalent
- Bachelor’s degree
- Recent photograph (four copies)
- Computerized National Identity Card (CNIC)

Award of Degree
The candidate must earn at least 36 credit hours by passing the courses in approved curriculum set for this Degree including 12 credit hours of project to qualify for the award of MS in Electrical Engineering Degree.
