

Vice Chancellor Message

I welcome you all to Government College University Lahore, the oldest and one of the most prestigious seats of learning in the country. GCU is known for attracting students from all over Pakistan and students from expatriate Pakistani community.

GCU is committed to provide an enabling environment to the students and we train them in inquiry, critical thinking and analytical skills to enhance their competences and equip them adequately to pursue their studies further. We try to implement the concept of holistic nurturing of our students by exposing them to curricular and co-curricular activities. This is done through our teaching-learning framework, which involves memberships of various clubs and societies. More than 50 clubs and societies led by the students for the students provide platform for healthy competition, team spirit, character building and leadership skills. The students are given opportunities to acquire attributes which are built around conduits of innovation, civic sense and sustainable future. The faculty members will ensure that your stay at GCU is an experience to remember.

I have firm belief that the time spent at GCU will shape your future by motivating you to do something better with your life and for your country. Once you walk out of the portals of this institution life will look more promising. Therefore, seize the opportunity that will shape your future and aspirations. The motto "Courage to Know" will challenge you to recognize your strengths and guide you to acquire much needed qualities for academic, professional and societal interactions.

Prof. Dr. Hassan Amir Shah, s.i.
