

# Life at GCU

The University has always provided rich opportunities to its students for overall development through diverse co-curricular Activities and Sports Facilities.

- **Tutorial System**

Once admitted to the University, every student is given membership of a tutorial group. The in charge of a tutorial group is a teacher and is called Tutor. It is essential for every student to get a "Dossier Form" from the Tutor at the earliest and hand it back to the Tutor after filling it. Every student should contact his Tutor in the first available time and inquire about his availability for consultation during the free period of the working days. It is compulsory for every student to present all his documents i.e. application for scholarship and character certificate etc. to the Vice Chancellor through his Tutor. The Vice Chancellor will not issue any order on the applications directly submitted to him. Tutorial groups have a weekly meeting in which attendance is compulsory. All the Tutorial groups are supervised by the Chief Tutor, therefore students are directed to see: (1) Chief Tutor Arts (2) Chief Tutor Science. In case of absence from the Tutorial meeting, there is a fine of Rs. 50/- per meeting, which will not be remitted.

- **Physical Training Sports**

Physical training is essential for students and games are a significant component of education. Every student is advised to take part in some regular game(s) so that his personality may be groomed.

- **Clubs and Societies**

50 clubs and societies are playing a pivotal role in grooming the students aesthetically and intellectually in GCU. In order to join these Clubs/Societies, the teachers who are in-charge should be contacted. A list of the Teachers In charge / Presidents of these Societies is published regularly in the University Gazette at the beginning of every Academic Session. These societies hold meetings regularly and the timing/dates and other information about these Societies is provided to students in the Gazette.

- **The Gazette**

A monthly Gazette is published regularly which contains all orders, notices and programmes as well as essential information about the University activities. A notice published in the Gazette is supposed to have reached everyone concerned in the University, thus ignorance about essential information published in the Gazette will not be accepted as an excuse.

- **Mosque**  
In order to facilitate Islamic teachings and the observance of the five obligatory prayers, there is a mosque situated within the University campus. In the mosque, there are facilities for daily as well as Friday prayers.
- **Transport Facility**  
Limited Transport facilities are available for the students on specific routes on payment. The Transport Office generally starts issuing passes for the new year from the date the first year admission lists are displayed in the University. As the seats are limited, passes are issued on first come first served basis by the Transport Office of the University. New passes are issued every year. The payment is made on yearly basis (September to June) for availing the facility. Student may contact the Transport Officer in this connection.

In case of any difficulty, Director Facilities can be contacted.
