The broad network of current and old Ravians in Pakistan and across globe provides students a competitive advantage; that helps them to excel in their career.

Admission in GCU is very competitive as GCU has been on top of the list in respect to admission merit (marks) and applicants to seat ratio. Such a competitive admission process based on merit ensures the admission of the best students. The quality of class fellows and the hard work they put in urges each student to work hard and go for an extra mile to meet the competition. Alongwith possessing extra ordinary competitive environment GCU strives to develop the collaborative environment and team work through appropriate teaching methodology and performance evaluation system.

After attaining the status of university, GCU thrust is now equally on creation of knowledge through research along with its previous role of imparting knowledge. GCU has very competent and experienced faculty, who are always keen for their own professional growth as well the wellbeing of students by providing all-out support.
