Experience

January 2018 – October 2023

Department of International Relations, Government College University, Faisalabad

Academic Coordinator/Instructor

Worked as an instructor (visiting faculty member) at the Department of International Relations along with the additional responsibility of Research Supervisor at the BS Level. Publication of individual and collaborative research articles related to International Relations, International Security, and Human Rights. The primary responsibility as an instructor has been to teach the following courses:

- Human Rights and Social Policy while introducing the participants to the foundations of contemporary debates around the human rights and social policy debate, including the justifiability of social rights, measuring discrimination, and influence of the politics of human rights on social policy while applying human rights framework to diverse topics within the social policy domain.
- International Political Economy enhancing the importance of politics and economy at the state level and global level while discussing the role of FDI and MNC and other international Organizations such as IMF, World Bank, EU, and WTO.
- Conflict Management and Resolution and now a new trend of Conflict Transformation to give the students (or future diplomats) to an understanding of what the conflict is and how it can be managed or transformed to make the world peaceful.
- Constitutional Development in Pakistan, talking about the importance of the Constitution in a newly born state, and politics behind the creation of three Constitutions of the Islamic Republic of Pakistan and one Objective Resolution along with their real scripts.
- Theories of International Relations course focusing on the engagement of theories as a transferable skill to identify, analyze and understand various international political phenomena. Theories included Realism, liberalism, constructivism, English school, Marxism, Feminism, Critical Theory and English School.
