 - Adaptability to cope with situations. Good listener. Problem Solver.
 - Liaisons with third parties for Managing Individuals & Group of Individuals and Teams of diverse areas of expertise, especially curriculum development and academic activities.
 - Monitor and evaluate large-scale data, multi-culture & ethnic teams for data collection, training and intervention.
 - Driven to exceed expectations through self-motivation, community engagement and resource building.
 - Ability to train and coach and conduct training & education/ research sessions.
 - Execution of programs with efficiency of time and utilization of resources is I believe one should prioritize effectively.
-

PROFESSIONAL EXPERIENCE

- **Government College University, Lahore** **October 27, 2025 to date**
In-Charge, Syed Babar Ali Department of Education
As In-charge of the Syed Babar Ali Department of Education, I am working on the Accreditation of the department's degree programs. Initiation of MPhil program is on-going. B.Ed. 1.5 years program is being prepared to offer at weekends in the main campus. Activities related to research projects and faculty development are high on agenda.
- **Government College University, Lahore** **October 23, 2023 to date**
Assistant Professor (Education)
Currently working in the Syed Babar Ali Department of Education, and looking after four degree programs: BS Education, B.Ed. 1.5, BS Special Education, and MPhil Education. Looking after and updating the Scheme of Studies and Curriculum, liaising with similar working bodies, and complying with HEC and Accreditation bodies of teacher education. Courses such as Educational Technology, Foundations of Education, Educational Leadership and Management, Educational Research, etc. are designed and taught at B.Ed. Level. I am teaching the courses with a special focus on skill development and making student-teachers tech-savvy.
- **Virtual University of Pakistan** **April 28, 2021 to May 18, 2023**
Head/In-charge, Department of Education
Virtual University is the first and only total technology based university in Pakistan. As In-Charge, Department of Education, I performed duties starting from admissions, equivalence of degrees of students from other colleges/universities/provinces/countries, managing 45 faculty

members in different cities, their leaves and attendance, day to day operations, and smooth execution of semester activities (academic and co-curricular) according to University calendar. Finding suitable resources for Course Development for the department. Conducting Board of Studies (BOS) and Academic Council meetings for 10 degree programs offered by the department of Education. Managing MPhil program, and working on the Blended Learning Program as JV of courses and degree programs with other Universities. Maintain liaison with alumni of the department. Conducting research-oriented workshops, and conferences of latest educational issues. Ensuring quality procedures in all educational activities such as course development, designing handouts, developing quiz bank and exam items, supervising teaching practice of students, and research supervision.

- **Virtual University of Pakistan** **March 11, 2021- October 22, 2023**
Assistant Professor (Education)
Supervising MPhil students and other research activities in the department. Assisting in departmental activities related to planning such as 5-year departmental plan. Member of different committees of university such as university research handbook and annual research productivity award. Acting as Team Lead in many courses including research.
- **Virtual University of Pakistan** **March 26, 2019-March 10, 2021**
Lecturer (Education)
Worked as a Lecturer at Virtual University of Pakistan. Responsibilities included: course development, research work, undergraduate thesis of students, designing roadmap for thesis students, research coordination, MPhil program co-supervision. Additional tasks such as self-assessment reports (SARs) for program evaluation on the criteria of HEC. Took post graduate courses and acted as a team-lead in two research-related courses.
- **Virtual University of Pakistan** **October 03, 2016-March 25, 2019**
Instructor (Education)
I have worked as Instructor at Virtual University of Pakistan. I was responsible for course management, item bank development, addressing queries of students via email and LMS software. Along with MCQs development, mid-term paper checking, final-term paper checking, assignments, and moderated discussion boards are also the responsibilities of the instructor. I also conducted online sessions for MPhil and B.Ed. session students and supervised thesis of B.Ed. level students. I have developed course manual with guidelines for these students of graduate level, course EDU630. I have also worked on teaching-practice (TP) guidelines and process and developed TP Manual for B.Ed. hons, B.Ed. 1.5 years and B.Ed. 2.5 years.
- **University of Gujrat (Lahore Sub Campus) December 01, 2014-Sept 30, 2016**
Lecturer (Education)
Lahore sub campus was a public private partnership official sub campus of University of Gujrat. I served there as lecturer in Education. Additionally, I was given the charge of Examination department (conduct branch) and MPhil Programme Coordinator. Being associated with conduct section in examination department I had conducted two terms including mids and finals. I was responsible for arrangement of exams as per the schedule of main campus of university of Gujrat. The invigilators from the main campus were appointed, coordination and facilitation with them was also my responsibility.

- **Superior College of Commerce** **August 01, 2011 to November 30, 2014**
During my period there I took classes of B.Com and other graduate level degrees such MBA, MCom and MA. Took regular classes and tests of the classes keeping in view the syllabus and preparation of University exams. Took send-up exams during my stay, assisted teachers in setting centralized papers, marking style and result formation. Arranged Parent/teacher meetings for better assistance and took active part in the management in making portfolios of each student.
- **Dar-e-Arqam Schools** **Academic Coordinator (2012-2014)**
Dar-e-Arqam schools is the largest network school system of Pakistan based on Franchise model having more than 700 branches with centralized curriculum and academic planning. As Academic Coordinator in the Head Office, my duties included: designing curriculum and academic planning based on competitive strategy and reviewing comparative curriculum.
- **University of Management and Technology** **Lecturer (visiting 2015-16)**
Taught M. Phil Education and M. Phil Educational Leadership and Management classes at UMT for the 2016-17 semesters.
- **University of Gujrat** **Lecturer (visiting)**
(Lahore Sub Campus) **November 2014-November 2015**
Taken M. Phil Classes for the University of Gujrat Lahore Campus, on weekends as visiting faculty member
- **Pakistan School of Economics (PSE)** **Lecturer (visiting)**
(Affiliated with University of Sargodha) **1 year 2014-2015**
Affiliated with University of Sargodha, PSE is offering M. Phil (education) courses. As a visiting lecturer there, took courses of M. Phil classes on weekends.

Courses Taught

1. Educational Technology
2. Education for Sustainable Development
3. Foundations of Education
4. Educational Leadership and Management
5. Educational Planning and Policy in Education
6. Philosophy of Education
7. Quantitative Research Methods
8. Research Methods in Education
9. Educational Administration
