Journal of Statistics Author's Declaration and Copyright

We confirm that

1. my/our manuscript titled

is submitted to Journal of Statistics for possible publication and is under consideration.

2. The Journal of Statistics is allowed to reserve the copyrights of the article, particularly, processing, reproduction, representation, printing, distribution and online transmittal with no limitation whatsoever, if it is published in the journal.
3. The responsibility of the events of all conflicts is on the authors after publication in the Journal of Statistics.
4. The manuscript submitted is in its entirely original form giving due credit, by virtue of proper citations, to the works and/or words of others where they have been used.
5. The manuscript is not under consideration for publishing in any other journal in any form, until the decision of acceptance or otherwise by the Journal of Statistics.
6. Each author listed has contributed substantially towards the preparation of manuscript in order to claim right to authorship.
7. All authors who have substantially contributed to the manuscript have been included in the author list and they have agreed to the order of authorship.
8. All authors have read and approved the manuscript and they have agreed to its submission for publication.
9. The correspondence author is the exclusive point of contact for communications in reviewing and editorial process. S/he will be responsible for communicating with all other authors.
10. The journal and editorial team shall not be liable for third party copyright claims or future proceedings, and the corresponding author is only one responsible in such cases.
11. The contributions of people, organizations and institutes who assisted the process of research, including those who provided technical help and writing assistance have been properly acknowledged.
12. The text, illustrations, and all other materials contained in the manuscript do not belong to anyone else.

Source of Funding

Please disclose all sources of financial support for the study and mention a brief overview of their role played.

--

Disclosure and Conflict of Interest

Please declare any potential conflict of interest at the earliest possible stage, including but not limited to employment, consultancies, honoraria, patent applications/registrations, grants, or other funding.
