

# THE JOURNAL OF STATISTICS

## CONTENTS

Volume : 10	2003	Number 2
• Ratio, Product And Single Moments Of Order Statistics From Inverse Weibull Distribution M. Aleem and G.R. Passha.....		1
• A Modified Murthy Estimator of Population Total in Unequal Probability Sampling Hina Muzaffar and Muhammad Qaiser Shabaz.....		9
• Sampling Strategy For Not-Evenly Spread Populations Muhammad Khalid Pervaiz.....		17
• Shape of A Die And A Trick Khudadad Khan.....		25
• Relative efficiencies of Maximum Likelihood, Minimum CHI-Square, And Minimum B Estimators. Masooq Amjad Khan.....		27
• Selection of Suitable Forecasting Method for stock Price Index Data Nighat Zahra and Mudasser Nasser.....		39
• A Simple Procedure For Unequal Probability Sampling Without Replacement and A Sample of Size 2. Muhammad Qaiser Shahbaz and Muhammad Hanif.....		47
