

**JOURNAL OF STATISTICS
CONTENTS**

Volume 22

2015

- | | | |
|-----|---|-----|
| 1. | A Modified Class of Ratio and Product Estimators of the Population Mean in Simple Random Sampling using Information on Auxiliary Variable
<i>Emmanuel John Ekpenyong and Ekaete Inyang Enang</i> | 1 |
| 2. | The Nature of Relationship between International Tourism and Trade: A Panel Data Perspective
<i>Anam Tariq, Zahid Ahmad and Jaffer Hussain</i> | 9 |
| 3. | A Statistical Assessment of the Role of Community's Learning and Living Environment to Determine Literacy Rate
<i>Tooba Khan and Nighat Zahra</i> | 22 |
| 4. | Bayesian Analysis of the Rao-Kupper Model for Paired Comparison with Order Effect
<i>Saima Altaf, Muhammad Aslam and Muhammad Aslam</i> | 41 |
| 5. | Probability of Return under CAMP: An Empirical Study of the Interest Margin
<i>Muhammad Ayub Siddiqui and Mohsin Raza Khan</i> | 58 |
| 6. | Effect of Socio-Economic Factors on Children Working Decisions in Pakistan
<i>Muhammad Akbar Ali Shah, Qaisar Mehmood, Muhammad Aleem and Tahir Nawaz</i> | 77 |
| 7. | A Bayesian Approach for Estimating Mean-Standard Deviation Ratios of Financial Data
<i>Rashid Mansoor</i> | 92 |
| 8. | Corporatization and Globalization of Pakistani Companies
<i>Jawaid Ahmed Qureshi and Amanat Ali Jalbani</i> | 103 |
| 9. | Bayesian Analysis of Kumaraswamy Mixture Distribution under Different Loss Functions
<i>Tabassum Naz Sindhu, Navid Feroze and Muhammad Aslam</i> | 121 |
| 10. | Bayesian Estimation and Prediction of Generalized Pareto Distribution Based on Type II Censored Samples
<i>Navid Feroze, Muhammad Aslam and Azhar Saleem</i> | 139 |
| 11. | Comparison of Bayesian and Maximum Likelihood Estimation for Analysis of Burr Type V Distribution under Left Censored Samples
<i>Navid Feroze and Muhammad Aslam</i> | 166 |
| 12. | A New Class of Bivariate Distributions with Lindley Conditional Hazard Functions
<i>Mohamed Gharib and Bahady Ibrahim Mohammed</i> | 193 |
| 13. | Identification of the Risk Factor for Colorectal Cancer in Females in Lahore
<i>Arshia Majid, Muhammad Riaz Ahmad and Jaffer Hussain</i> | 207 |

**JOURNAL OF STATISTICS
CONTENTS**

Volume 22

2015

- | | | |
|-----|---|-----|
| 14. | Identification of Significant Prognostic Factors of Dialysis Population
<i>Maryam Siddiq and Muhammad Khalid Pervaiz</i> | 219 |
| 15. | Regression-cum-Exponential Ratio Estimators in Adaptive Cluster Sampling
<i>Muhammad Shahzad Chaudhry and Muhammad Hafiz</i> | 257 |
| 16. | Identification of the Risk Factors of the Thyroid Cancer in Males, Lahore
<i>Faiza Asif, Muhammad Riaz Ahmad and Jaffer Hussain</i> | 274 |
| 17. | A Class of Modified Linear Regression Type Ratio Estimators
Estimation of Population Mean using Coefficient of Variation and Quartile
of an Auxiliary Variable
<i>Jambulingam Subramani, Gnanasegaran Kumarapandian
and Saminathan Balamurugan</i> | 284 |
| 18. | A Statistical Analysis for Increasing Reward with Increasing Size
Jama'at: A Revisit
<i>Ahmed Faisal Siddique</i> | 306 |
| 19. | Effects of Socio-Economic and Demographic Factors on the Prevalence of
Consanguineous Marriages in Pakistan
<i>Asifa Kamal, Ayesha Khan and Uzma Numan</i> | 317 |
