Opportunity for Students

SUPARCO Winter (November – December) Internship Program 2026

4-8 Weeks Internship Program

Offered by

Pakistan Space & Upper Atmosphere Research Commission

Deadline to apply: 04 September, 2026/ Friday

Purpose:

Pakistan Space & Upper Atmosphere Research Commission (SUPARCO) offers learning and development opportunities to students with an excellent academic record, as interns in the field of space science, engineering and technology. During an internship at SUPARCO, the students will acquire hands-on experience and gain insight into technical and managerial work through placement on challenging assignments under continuous supervision of senior engineers/ scientists.

Internship Details:

- Applicants must be **Final-Year Bachelor's Degree Students**.
- Applicants must have a **CGPA of 3.0 or higher**.
- The duration of the internship is **4-8 weeks**.

Candidates are advised to ensure that they fulfill all eligibility criteria prescribed by SUPARCO before applying.

How to Apply?

Interested students (both male and female) are requested to apply online at <http://www.sead.pk> by **Friday, 04 September, 2026.**
