Abdul Rauf, an alumnus of the Aspire Leaders Program, received a 2026 Skills Advancement Grant to support his ISO 45001:2018 Lead Auditor training.

“

The Aspire Leaders Program helped me develop my leadership, communication, confidence, and professional skills. It encouraged me to take initiative and actively pursue opportunities for my career development. Through Aspire's support and the Skills Advancement Grant, I received \$200 toward my ISO 45001:2018 Lead Auditor training, which is an important step toward building my career in HSE.

### **FROM PARTICIPANT TO AWARD WINNER**

Ahmed Yar, an alumnus of the Aspire Leaders Program, has received the Aspire Community Action Award for his work through IBTIDA.

“Receiving the Aspire Community Action Award is a proud moment for me and for the work we are doing through IBTIDA. The award has given us the confidence and support to turn our community ideas into more structured action. Aspire has helped me strengthen my leadership, project planning, and community engagement skills. More importantly, it has connected me with a supportive network of young changemakers. I am grateful for the opportunity to grow, learn, and create greater impact in my community.”

### FROM PARTICIPANT TO AWARD WINNER

Syeda Marryam Bukhari, an alumna of the Aspire Leaders Program, has been selected as a 2026 Academic Advancement Grant winner to support her GRE exam.

“

Over the years, I have worked intentionally to build a strong profile for graduate study abroad, and receiving the Academic Advancement Grant feels like meaningful validation of that effort. Opportunities like those offered by Aspire remind young people that their hard work is recognized, that they are on the right path, and that their goals are within reach.
