5.	Whether PIOs are conspicuously placed in each office for the convenience for approaching citizens.	For the convenience of the citizens, the Government College University, Lahore is working with a Central Public Information Officer who can provide information to the applicants from all concerned quarters of the university with utmost ease.
6.	Whether PIOs have been provided necessary facilities including stationary, telephone, computer, RTI Registers etc.	Yes, the PIO is posses these facilities.
7.	Whether Head of the Departments (HOD's) and head of administrative unit, as the case may be, has issued instructions to all the officials to cooperate and provide information on the request of PIOs?	Yes, the instructions regarding implementation of RTI laws and cooperation for the accumulation of information has already been disseminated and acted upon by administrative units of the University.
8.	In How many cases PIOs or any other representative appeared for hearing before PIC?	06
9.	What are the main hurdles to implement RTI Laws?	<ul style="list-style-type: none">- Some Times the applicant asks for a data that isn't even relevant to the concerned case.- Information seeker often asks for a data of very old record which requires time and energy for compilation as per the demands of the applicant.- There is no accountability on whether the data compiled, organized and provided was used purposefully or the whole activity resulted to be vague.- Repetition: The same data is asked repeatedly in order to tease and erupt controversy out of the matter.
10.	Whether trainings of PIOs were conducted during the period under reports? If so, how many?	One training session was conducted during the tenure of the current PIO.
11.	Any refusal suggestion to effectively implement RTI regime as statutory obligation.	<ul style="list-style-type: none">- PIO should be paid a reasonable remuneration commensurate to the encumbrance of the work.- The relevance of the applicant should be ensured with the case before providing requisite data/ information.
